

## Netherlands Society of Parasitology (NVP) Spring Meeting 2013

Date: Thursday 20<sup>th</sup> June 2013

Location: 8<sup>th</sup> floor Auditorium, Nijmegen Centre for Molecular Life Sciences (NCMLS),  
Radboud University, Geert Grooteplein 26-28, 6525 GA Nijmegen

Directions: <http://ncmls.nl/contact-us/>

### Anti-malarial drugs: assessment of resistance and development of novel products

- 09.00-09.30 Registration & coffee  
09.30-09.45 Opening (Robert Sauerwein, *Head of Parasitology, UMC St Radboud, chair*)  
09.45-10.30 **Anti-malarial drugs: current efficacy and upcoming developments** (Didier Leroy, *Director Drug Discovery, Medicines for Malaria Venture, Geneva*)  
10.30-11.00 **Malaria drug development: the pre-clinical pipeline** (Koen Dechering, *CEO TropiQ Health Sciences, Nijmegen*)  
11.00-11.30 **Primate models in malaria drug development** (Clemens Cocken, *Director Department of Parasitology, Biomedical Primate Research Centre, Rijswijk*)  
11.30-12.00 **Malaria parasites lacking critical proteases involved in haemoglobin degradation are viable and are less sensitive to chloroquine** (Shahid Khan, *Dept of Parasitology, Leids Universitair Medisch Centrum*)  
  
12.00-14.00 Lunch and NVP annual general meeting  
  
14.00-15.30 Free communications  
15.30-16.00 Tea/coffee  
16.00-17.00 Merial Award  
17.00-18.00 Drinks

Registration: [www.parasitologie.nl](http://www.parasitologie.nl)

NVP members €30.-

non-members €40.-

Call for abstracts: all participants are invited to submit abstracts for the free communications session. Abstracts may cover any original research in the field of parasitology. Free communications will be 15 minutes each, including questions. Abstracts must be submitted using the guidelines available on the NVP website before 20<sup>th</sup> May. Free communications will be awarded based on abstract quality before 1<sup>st</sup> June.
